FEATURED ACCESSORIES

ThinkPad USB-C Dock (40A90090xx)

This universal docking solution ensures a high-performance workstation experience. Meet all your productivity needs, including video, data, and wired network, all while delivering continuous power to your laptop via a robust USB Type-C port.

Lenovo 65W Travel Adapter with USB Port (GX20M736xx)

This energy-efficient mobile power adapter charges Lenovo (round tip) laptops while you're on the go. Ultraportable and light, this adapter goes where you do, offering a single USB port that lets you quickly and conveniently charge a mobile device at the same time.

ThinkPad 14.1" Professional Slim Topload Case (4X40H75820) & ThinkPad Sleeve 14" (4X40N18009)

Lenovo Cases & Sleeves are not just very handy and give you space for all you need, they are also stylish and protect your belongings against the elements.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your business, not your IT.

Premier Support¹

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Accidental Damage Protection (ADP)¹

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

Warranty Extensions (up to 4 years total duration)

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase significantly saves over the price of purchasing it post-warranty.
