General Not for Resale (NFR) Policy

- Only FortiGate demo units come complete with both Fortinet's 24x7 FortiCare (support and maintenance) and FortiGuard (Enterprise Protection subscription services) for one (1) year at the time of shipment. VM software products do not have any services included. Other HW products have at least FortiCare 24x7

- After the initial one (1) year of services, extensions for any services must be purchased. Orders for extensions may be placed through regular distribution channels or your local Fortinet sales office.
  = No NFR on FortiCare / FortiGuard (see table)
  = No NFR conditions for services extension.
  = No NFR on multi-year Bundle.

- All units purchased under the Demo program may be resold by the FortiPartner twelve (12) months after the original ship date. Upon the resale of any Demo unit, FortiPartner must notify the Fortinet Customer Service team in his region.

- At the time of resale, no free services shall be provided with the unit. Support, maintenance, and subscription services must be purchased as renewals by the purchaser of the resold unit.

- Upon sale of a Demo unit, the FortiPartner will be credited towards its allocated quantities

Unless otherwise specified in a duly authorized and signed agreement between Fortinet and FortiPartner, the following quantity restrictions shall apply:
- FG-20 Series through FG-110 Series
  -> 10 units/Partner every 12 months (cal. year).
- FG-200 Series through FG-5000 Series
  -> 5 units/Partner every 12 months (cal. year).
- Non FortiGate Products
  -> 10 units/Partner every 12 months (cal. year).

- VM software products can also be purchased under the demo program, but a la carte Forticare / Fortiguard contracts must also be purchased using your applicable demo discount at time of order.

- MSSP core infrastructure and/or revenue product orders do not qualify.

Fortinet reserves the right to amend, modify, suspend, cancel or terminate this program at any time without notice.
